LIFE AT THE LAKE

Growing up in restaurants we learned it's a ton of hard work and there are **NO SHORTCUTS** when it comes to **QUALITY, FRESHNESS** and **SOURCING LOCAL**. For a week each summer, our break from the hard work was a little lake house in Michigan where we enjoyed lake life... boating, beach time, bonfires and **INCREDIBLY FRESH**, simple **FAMILY COOKED MEALS** at a long table.

The kids would boat to the general store to get **FRESH VEGETABLES** and **ORGANIC MEATS** that came from Coveyou Market (est. 1874), or Farmer Bill's house (est. 1888). It was **FARM-TO-TABLE FRESH** eating long before it ever became a marketing movement or idea. The kids, once they were older and mom and dad were back home, would turn the lake house to a **PARTY FUN HOUSE** Every day and every night spontaneous parties would occur at the **LAKEHOUSE**

There is just something special about a **PLACE BY THE WATER**
